ORANGE COUNTY, CALIFORNIA

AUGUST 1977

"The chains of alcohol are
too weak to be felt until
they're too strong to be
broken!"

LET'S NOT TAKE OURSELVES TOO SERIOUSLY!

When we take ourselves too seriously, we are in effect living in a land of make believe---catering to our vanity by forgetting for the moment, at least those things those shortcomings of ours--which we will do well to remember. None of us can afford to believe that we are the person we perhaps would like to be--near perfection or something akin to it--for if we do then we are going to judge others by this standard. For instance: I personally would hate to accuse some one of telling a lie, when I have a record of my own that even I wouldn't want exposed. Who of us can say he hasn't told a lie--even a hundred of them? I don't think there is much difference between any of us---some it is true, may have a little more of this world's goods than another, but by and large we are all the same, all God's children, big in some respects and little in others. We have strength in one direction--weakness in another--little virtues that would be all the more apparent were they not obscured by our little vices. When I find myself trying to seem something other than what I am, I think back to the record of things. It is then that I get back my sense of humor---a feeling of humility---and a will or desire for tolerance--and then once more, I quit taking myself too seriously--and try to do the best job of being what I really am.

ABOVE ALL ELSE:

Nothing must come before our sobriety-- for we alcoholics can do nothing without

it. We must keep ever in mind this one all important fact--that no matter how long we live, time will not remove our need for A.A. Time in its passing will only reduce whatever physical resistance we may have had-- but as our only true resistance is spiritual we must make sure that each passing year finds it further strengthened. In order to keep our sobriety, we shall have to learn to accept--and to have faith in many things. Some things we have learned---learned at great cost. Some of these things we would have liked to have avoided. Yet we can, if we will, turn them to advantage and then some can easily prove to be worth more than they cost. And so, all through life we must learn to expect and to accept the fact that life won't always be just as we plan it--that we may always have a little heartache, a little difficulty and a little disappointment added to our bounty of happiness. Oh, yes, we may still ask why. Throughout life we have always asked why--but we must have faith and accept the fact that we are not the best of judges. Our trials and tribulations in the past have been the excuses for our many and varied binges-- but now above all else we must not--we cannot--sacrifice our sobriety. Out of the mastery over our difficulties can come strength--strength to meet life as it comes and to have faith that when things do go beyond our control, that perhaps sometime, somehow, we shall find compensation for every such experience. We have a long time in which to learn--to seek the answer.

While we are doing it, let's place our sobriety above all else---and when we do just that we shall acquire the strength the courage and the humility to understand that if we don't find the answer here we will hereafter.

OF THIS AND THAT :

Man is too lacking in self sufficiency to live in isolation, he'll stop growing. Together men compliment each other--enrich each other. Your own thoughts need to be cross-fertilized with the thoughts of others if they are to grow and improve. There is a constant interchange of thought at A.A. Meetings. Attend yours regularly and watch yourself grow in knowledge and in character.

You've seen a wagon on a sandy road with wheels worn 'til they had a little play from side to side-- they slant this way and that--and as they turn they make a crooked track. It seems there are a lot of folks like that--good wheels with just a bit too much of play--but still they roll--the wagon gets to town, and that's the point--the wobble doesn't count. And so it is with most of us in A.A. as long as we are going in the right direction--doing the best we can with a good foundation like the wheels of the village bound wagon it matters but little so long as we get there.

Jack M. Resigns Position as Central Office Manager....

People who do a difficult job and at the same time obviously are enjoying themselves are envied.

Such a person is Jack M., our Central Office Manager. No one has ever made "We Care" mean so much to so many.

Jack is leaving us on November 1st and will be missed by all. His quick wit, interest in others and quality of sobriety will be missed at Central Office. He has given of himself for a little over 5 years. He has seen tremendous growth in our Fellowship in Orange County and has contributed to the smooth business functions necessary to provide service to all the groups.

Jack's plans for the future have not been firmed up as yet, but I venture to say that his lovely wife, Pat and his children will see a lot more of him.

He will continue to be active in A.A. in Orange County and be able to again attend his favorite meetings.

I know everyone who reads this joins me in wishing the best for him in whatever endeavor he chooses. Somehow "thanks" seems inadequate, but thank him we do.

INTERGROUP HOLIDAY MARATHON . . FINANCIAL REPORT

When it was necessary to postpone our Annual Picnic from June to September, due to a problem of a site large enough to accomodate us, I felt a Marathon would be an ideal event to fill the void and what better time than the long July 4th holiday weekend.

This event was not intended to be a fund raiser, but an event which would bring the groups to Central Office and to make them aware of Intergroup and of the benefits of every group having an I. G. R., Intergroup Resentative. Thus the theme, "Sharing, Giving and Receiving".

As all who attended will verify, the Marathon was a huge success-over 1500 members came, more than a third for their 1st visit to Central Office. That fact alone, to me, implies success as I feel it very important that we are aware of how much C.O. means to AA in Orange County. I wish to thank everyone who came and shared- everyone who came to listen- everyone who provided sandwiches and cookies, etc. I wish to thank those members of the Service Board who put in so many hours as co-ordinators- the Central Office employees and especially the C.O. volunteers who gave unstintingly of themselves. Thanks again.

God bless each and everyone of you.

The General Service Assembly, Sunday, July 10, 1977, held at Fountain Valley Recreation Center was well attended. A lot of interesting discussion and action took place.

Elizabeth O., Treasurer, indicated contributions were up considerably over the previous quarter. There was an increase of \$500.00 this quarter from group contributions. The Delegates' expenses were \$912.00, (looks like he gets a salary) but over \$600.00 of that is the cost of our Area Newsletter and mailing of it. Our over all expenses are up. We distributed over 50 G.S.R. Kits last Sunday and their cost is close to \$2.00 each.

Alternate Delegate, Goldene L., will be Chair-person of the General Service Meeting of the Southern California Convention.....

The cost of literature and the Big Book have been reduced to comply with the 1977 Conference Recommendations.....

Our next Area Committeemen's Meeting was changed to the last Sunday in August to avoid conflict with the Harbor Area H. & I. Mass Meeting and the Orange County Intergroup Picnic, September 11.....

Area elections were cussed and discussed for awhile and Susan S., our parliamentarian, got us back on the right foot.

Ellery S., you remember him? (the quiet Delegate from a few years back) well he wasn't so quiet Sunday. He reminds me of the young boy who hadn't spoken for 17 years, finally he did say something and his folks asked "why he had not spoken for so long?" He replied, "Everything's been okay up til now." Ellery and Goldene L. head up the G.S.R. Orientation Meetings and invitations to conduct same are increasing.....

Forty members signed up to be (G.V.R.s) Grapevine Representatives, for their groups....

G.S.O. reports 710 New groups in the U.S. for the first quarter of this year and 198 in Canada. 32 are in the Mid-Southern California Area.....

Many thanks to all the members who participated in the recent survey and to the District C/M and Officers who returned them so promptly. They're on the way to G.S.O. and we will have the results soon.....

The Area approved the adoption of a G.S.R. Preamble, authored by Chuck S. from District 4.....

District 10, Fullerton, requested the addition of two new districts, this was approved and the M.S.C.A. now have 16 Districts.....

Your Delegate encouraged Districts to provide a rack to hold Newsletters for clubs within their districts, to be provided and installed.....

Past Delegate, Genevieve L., had heads turning Sunday. Don't know if it was her Grapevine report or her fancy hairdo and figure. Being an ex-delegate hasn't hurt her a bit.....

The Area approved a position paper to be forwarded to all the D.W.I. Programs within the Mid-Southern California Area. This position paper could be helpful to new secretaries if in doubt as to the signing of court cards! Copies may be obtained from your District Committee-members or Area Officers.....

Art B., the Mid-Southern California Area's first Delegate in 1959 served for one year, attended Sunday's meeting and briefly related some of our early history. Thanks, Art. He said he enjoyed the Assembly, but I saw him doze off once or twice, but that's okay at the Assembly. I dozed off driving my car last year, but my wife woke me up just before we hit the bottom of a 10 foot drainage ditch. I wish she would have let me sleep, it scared the hell out of me..... Jerry F., Delegate, Mid-Southern California Area.

TOO LATE FOR THE DIRECTORY..... District #7 will meet on the first Thursdays of each month, 7:30 P.M. 9596 Garden Grove Blvd, Room #210. District Representative, Steve O., 894-6479.
