Dear Editor,

We would like to announce the formation of "Charles' Angels". We are a group of men who have either been thru Charle Street Step House or attend meetings there. In order to keep it, we want to give it away. Anyone who wants to schedule a speaker or panel of speakers can contact me at the above number.

This should be especially appealing to secretaries who have last minute cancellations. Given 24 hours' notice, we can probably "fill the bill". Also we hope to be able to fill in on shorter notice than that....."Doc" E.

Acting Coordinator

P. I. C.

PUBLIC INFORMATION COMMITTEE

One of the many functions of our Central Office Service Board is the formation of a Public Information Committee with one ultimate goal: to carry the message to the alcoholic who still suffers. The purpose of the committee is to reach the alcoholic indirectly, as well as directly, in three ways:

- 1) By informing the general public about the A.A. Program.
- 2) By informing "the third person," whose work is or may be involved with the active alcoholic.
- 3) By keeping the Fellowship well-informed, so that members and groups may carry the message more effectively.

We all laugh like hell when someone tells in their story of shunning AA for years because they thought it was a bunch of "reformed Winos". But if AA has really "Come of Age" should this be the average drunks' view of us any longer? We may miss a few laughs by enlightening the public, but we're sure to reach many more with "a desire to stop drinking."

Please come to a meeting for all those interested and willing to serve on the P.I.C., on Tuesday, August 21, at Central Office.

Sincerely, Pat B.
Chairman P.I.C.

INTERGROUP HILIGHTS.....

The most important business at the July Intergroup meeting was the announcement that the 38th Anniversary of A.A. in Orange County will be celebrated August 19th with a picnic at William Mason Regional Park in Irvine. August 7th is the final meeting of the committee for all those interested. This is a buffet and all are urged to bring along with themselves and their families, hot, cold and dessert dishes. George D. is chairman of the event and needs all the help he can get. Coffee and free cold drinks will be provided by the Association. Milt S. reported that the "OK Corral" has been added to the list of groups serviced by H & I. He also asked that the MJB coffee labels be collected for H & I. They still need them. Joan B. reported that the First Annual Traditions Meeting will be held at Hoag Hospital Auditorium on Sunday, Nov. 4, 11:00 AM. Coffee, doughnuts and sweet rolls will be served by the Association. There will be 12 speakers on the 12 different Traditions. Goldene L., our Delegate will be the leader.

CENTRAL OFFICE CORNER

Full success of our Fellowship depends on the participation of every group in "running" the business of your Central Office. Every group, to make our activities function ideally, should elect an Intergroup Representative who will become an active member of the Intergroup Association and your voice in the conduct of its affairs. Only by having an Intergroup Rep who attends the Intergroup meetings can the wishes of your group on the operation of the Central Office be made known. and by his or her report to your group of the actions taken or planned by the Intergroup can your group's members be made aware of what is being done for the Fellowship as a whole.

If your group does not yet have such a representative, you will help keep group autonomy strong and make your group part of our responsibility to "carry the message" by choosing one at your next meeting.

The responses to the General Service Conference questionnaire indicated that the vast majority of A.A. members in our Mid-Southern California Area feel we should hear more about all three of our Legacies. The Keynote address at the Fifth World Service Meeting of Alcoholics Anonymous was given by David P. of Columbia, S.A. The following are some excerpts from his address titled "Recovery, Unity, Service". I believe you will have to agree with me that it is a beautiful description of our Three Legacies.

"We have found a way out of our alcoholic condition. The lifesaving message of A.A. came to us. And the tiny universe that confined us started to expand again. We began to untie our imagination, our mind and our good will. We were ready to live and let live. Spiritual life was reborn. We found harmony with ourselves, our brothers, and God. And we called that Recovery. What then is Recovery for me?

It is not perfection, but the search for it. It is not lethargy, but a state of awareness. It is realizing that there is a place for us in the world. It is acknowledging that we, alone, cannot do anything, but with the help of God we can accomplish everything. It is being sure that we walk along the path, even though we make our path as we walk. It is living today as we would like to have lived yesterday, and as we wish to live tomorrow. It is knowing that our journey has a meaning, a reason for being. It is a constant spiritual awakening. And, above all, recovery is a working faith.

Through the grace of God, however, we have survived by joining a society of equals. We need each other in a harmonious environment in order to survive. We need Unity. What is Unity for me?

It is not a monody, but a symphony of individual voices. It is not a compact law, but a mixture of different opinions. It is knowing that our alcoholic brother or sister has the same right to life, happiness and peace as we have. It is a feeling that the word "we" stands before the word "I". It is admitting that we are all equal before God. It is acceptance that different paths can lead us toward our final destiny. It is stripping of our pride, so we won't feel greater or lesser than our fellows. It is not doing to our neighbor what we wouldn't like done to us. And, above all, unity is working humility--humility to accept the ultimate authority that expresses itself in our group conscience; humility to welcome anybody who wishes A.A. membership; humility to keep anonymity that reminds us to place principles before personalities.

When our castle fell down on our own heads, someone else came to rescue us, understood us and delivered the message that saved us. So much was put at our disposal---literature to read, experience freely and gladly given, and a meeting place where a cup of coffee was waiting for us. At first we received these services, taking them for granted. But gradually we began to feel that a treasure which we had no right to hide away, was being placed in our hands. We had to give to someone else the light of hope that had illuminated our darkness. It was unfair to let the fruits we had harvested rot in the barns of our laziness. And so we turned to Service. What is Service for me?

It is not altruism, but a need for survival. It is not charity, but an expression of gratitude. It is the responsibility of lending a hand to our brother or sister who is drowning. It is recognizing that, by giving ourselves to others, we will find our own souls. It is learning that they who give the most, receive the most. It is extending to other alcoholics the sobriety that was bestowed on us. It is working so that others get a permanent place in the new world we have discovered. It is remembering the words of Bill W. 'We must carry A.A.'s message; otherwise we ourselves may fall into decay and those who have not yet been given the truth may die'. And, above all, service is a working love. It is love that works---unselfish, patient, tolerant, anonymous love, love that doesn't have a price tag on it. Love that has no envy and that endures everything."

I certainly can add nothing to that!
