## FAITH RESTORED....

Dear Lifeline Editors,

In your January issue you printed something I wrote, "In Search of Happiness". Through the holidays and as the new year began I watched people around me as they celebrated with their "cheer" and felt angry because I'm different. I felt cheated because I can't have a few drinks to loosen up and laugh. One afternoon after a grueling day at the restaurant I sat myself down with my finest wine glass in hand, filled with my favorite cranapple juice to talk myself out of that drink I felt I deserved. My January Lifeline had been sitting on my table for over a week and I hadn't made the time to read it. I know I was waiting for some miracle to remove my need to have a drink. I know I was silently hoping for help because I didn't find the power at that time to keep up my battle. I read the front page but needed more. Inside was another short piece about holding myself prisoner. Then I noticed a title that sounded very familiar. I read on. That miracle I so badly needed was there waiting to be presented at the right moment. All I could say was "thank you God for once again restoring my faith and reinforcing my understanding that I don't travel this road alone. When everyone else rose their glasses to toast the holidays I felt at peace and more joy than any glass of champagne had ever brought me. The greatest gift I gave myself and my children this year was sobriety.

I sent a copy of that Lifeline to a friend in Minnesota and he shared it at his last meeting. Wherever I reach with my writing there seems to be someone helped and someone to help. Each day I find the power of A.A., the power of the believers behind the organization is stronger than any group I've ever known. Each day I continue contact with people with this common cause the way becomes more clear.

I have a lot to share and will find the time to continue to write. I will be sending these things to you as often as possible. Thank you for the part you played in restoring my faith. Thank you for being there. Sincerely, Susan C.

San Juan Capistrano

## SIX WAYS TO CURE SELF-PITY

All of us sometimes indulge in self pity, and here are six ways to cure it:

FIRST---Never nurse a hurt. Brooding over a personal bruise only makes you feel sorry for yourself.

SECOND---Remember, the virtue of good humor. A person who can smile with others, not at them, and one who can laugh at himself is one who can see his problems in terms of a larger perspective.

THIRD--- Learn the meaning of the verb "to trust". Faith and trust in God's care is no little thing.

FOURTH--- Discover the adventure of forgiveness. To forgive is no soft or sentimental act. It is more often an act of true courage.

FIFTH--- Don't run off. Dropping out of an organization, fellowship or out of life only complicates the problem.

SIXTH--- Learn to love others and be honest. As Shakespeare said, "To thine own self be true, and it follows as the night and day, thou canst not be false to any man."....The Iowa Sage

## FIRST A.A. MEETING.....

The Gatehouse on the Sieberling Estate was the site of the first get-together between Bob and Bill and there A.A. has grown world wide.

Article in the Dec. 10, 1979 Los Angeles Times submitted by Joe W. from Santa Ana.

"Henrietta Buckler Seiberling, 91, who in the early 1930s opened her home in Akron, Ohio, to two alcoholics who held the first meeting of Alcoholics Anonymous there. The wife of the late J. Frederick Seiberling, whose father founded Goodyear Tire and Rubber Co., she devoted most of her life to the AA movement in New York City.

### BI-LINGUAL 12 STEP WORKERS NEEDED

Your Central Office is attempting to compile a 12 Step list to provide the capability for communication with those speaking languages other than English. This would be of service to persons either

residing in, or visiting Orange County.

Any reader wishing to volunteer for participation in this work, please contact your Central Office for more information. Thank you.....Orange Co. Service Bd.

### HELP!!!!

Your Orange County Intergroup board needs some help. Are any of you, now reading this, still willing to go to any lengths to share the precious gift of sobriety you enjoy today?

There are in Orange County some alcoholics with some very special problems. It's true, all of us have problems, and yet can you imagine adding to your own the problem of being deaf, blind, or unable to speak. It kind of gets your attention, doesn't it? Talk about having it tough getting sober. Put yourself in the position of these people, wanting to participate in AA & sobriety and not being able to at present.

Do any of you fellow alcoholics have any viable suggestions for helping these people to help themselves? Do you perhaps know of or about any organizations we can cooperate with in regards to people such as these? These alcoholics don't want any handouts, just a hand up, the hand of AA love extended responsibly. Please help us to help them. To start with we need 12 step workers, conversant in hand sign language for communicating with the deaf. This would be the first positive step in the right direction. We are working on the problems, why not be a part of the solution?

Give away the gift of sobriety, if you can, and make caring & sharing more than just words. Thank you.

.....Ray B., Vice Chairman

### WANTED--SPEAKERS FOR THE NON-AA SPEAKER'S MEETING LIST!!

Do you have a year or more of continuous sobriety? Think you know your 12 Steps and Traditions pretty well? Care to share your strength, hope and experience with those who know little or nothing of our fellowship? Your opportunity to get involved in our fellowship at a personal level, could express itself thru the Speaker's Bureau. We would like to hear from the older, (younger), members of AA who have participated in this program. You are especially needed, your knowledge could help those of us who are following in your footsteps. Please contact Sheryl K, Monday at Central Office for further details and information. (556-4555).

There are 449 Groups that meet every  
 week in Orange County.

Topics on the agenda of the 30th annual meeting(1980) of the General Service Conference of AA, (U.S. and Canada), which convenes at New York's Hotel Roosevelt April 20-26, the theme of which is "Participation: Key to Recovery" will include:

1) The Right of Decision. 2) Participation---equal voice, equal responsibility. 3) Participation---service and recovery. 4) Reaching the Alcoholic by working with non-alcoholics. Election of two regional trustees for four-year terms is also scheduled. The Western Canada ( Alberta, British Columbia, Manitoba, North-west Territory, Saskatchewan, Yukon) member of the General Service Board will replace Cecil E., Prince Albert, Sask. The new West Central U.S. ( Iowa, Montana, Minnesota, Nebraska, North Dakota, South Dakota, Wyoming) trustee will fill the position vacated by Don N., Moorhead, Minn. Others rotating off the board in 1980 are non-alcoholic John D. Bealer, M.D., Bethlehem, Pennsylvania, and general service ("in town") trustee Edward S. of New York City. "How well is the Conference structure working?" is the topic for one evening session. Three questions included in that examination are: (a) the role of "intown" trustees and how they are elected;(b) extending delegates' terms from two to three years; and (c) should 75% of the Conference vote be in the hands of the area delegates? These ideas have often been studied by past Conferences, but it is generally agreed that if AA is to grow along with the world around it, the Fellowship can profit from continually taking its own inventory.

As a result of a significant increase in group contributions to AAWS in New York, effective February 1 the price of all literature distributed by our General Service Office has been reduced on orders of \$25 or more by six percent. Local AA central offices and intergroup associations are also entitled to the reduction and it is hoped that they will pass the savings on to the AA groups that are their customers. This marks the second slash in literature prices resulting from a Conference recommendation in 1976. The Conference felt that lessening the profit AAWS was making on literature might encourage groups to increase their contributions. It was believed this would help AA become more nearly self-supporting--less dependent on profits derived from the sale of books and pamphlets. It is the purpose of AA to carry the message, not to amass profits.

The Third Annual San Diego Spring Roundup convenes Friday, Saturday and Sunday, April 4, 5 & 6 at the San Diego Twon and Country Convention Center. Principal speakers are (AA) Sandy B. of Washington D.C., and (AI-Anon) Gloria S. of Los Angeles. All the usual attractions will likely be enjoyed by many from our own Area. Have fun in sobriety!

**PROFANITY---REFUSAL TO CHANGE.** ( We found this in the Hello Central, publication of the L.A. Central Office. We are passing it along for what you may think it is worth. It is originally from the DRY RUN, publication in Boston, Mass.)

You've been getting a pretty steady diet of "suggestions" from speakers, writers to Dry Run, Central Office and others that the use of profanity and vulgarity from the speaker's podium should be stopped. This is not because of the offended sensibilities of your listeners ( although there are plenty of offended sensibilities ) but because of the continued use of foul language is clear evidence of an unwillingness to change. And in case you refused to absorb the last part of the preceding paragraph here it is again: "Continued use of foul language is clear evidence of an unwilling ness to change."

( No reference intended to the occasional offender who simply hasn't managed to gain control of his language use. Time, good old time, will take care of that misuse.)

The person, male or female, who continues to insist it is his or her right to insult the audience with intentional vulgarity is merely expressing aloud the unwilling ness to change that he or she might not even recognize. Whether it is an ego problem ( and the occasional guffaws from the audience are somehow boasting the speaker's ego ) or a flat refusal to grow up, the vulgar speaker cannot but realize he or she is refusing to change... Denver S., Delegate, Mid-Southern California Area.

PLEASE FILL OUT THE QUESTIONNAIRE ON PAGE 12.

THE GENERAL SERVICE 1980 CONFERENCE QUESTIONNAIRE.....  
"PARTICIPATION - THE KEY TO RECOVERY"

The General Service Conference is a method by which AA's collective group conscience can speak forcefully and put its desires for world wide services into effect. The theme of the 1980 General Service Conference is "PARTICIPATION- THE KEY TO RECOVERY." This questionnaire is designed to help your Delegate know more about your feelings on the theme, and to enable you to share with him your experience strength and hope, that he might better serve the Mid-Southern California Area at the Conference in April. Will you please take the time to fill out this Questionnaire and return it to your group's General Service Representative (GSR) or mail it directly to me by April 1, 1980. Any comments or suggestions will be gratefully received including those not specifically covered in the Questionnaire.
