**HISTORY OF THE  
NATIONAL AA WOMEN'S CONFERENCE**

The concept of a Conference for women in AA originated in Kansas City, Missouri, with a local group of AA women inspired by Bernadette O'K. The first Conference was held in Kansas City in 1965 and was attended by 45 women. It was decided to make the Conference an annual event to provide an opportunity for AA women throughout the United States to share experiences and discuss concerns common to women alcoholics. February, the month traditionally symbolizing love (and the month of Bernadette's AA anniversary), was selected as the permanent conference date and the motto "the language of the heart will be spoken here" was adopted as a permanent theme. A national Advisory Board meets annually to receive bids for future conferences, determine conference locations and assist local hosting groups.

This year marks the 17th year of the Conference — the first time ever in California — and it has grown to well over 600 women. California AA women are proud to host the National AA Women's Conference, and are looking forward to welcoming you in February!

**ACKNOWLEDGEMENT.....**

To the Intergroup of Orange County; I would like to once again thank all of you in Orange County in A.A. for your wonderful support in the last two years. You have all responded so well when I have asked for Big Books and 12 & 12's, also copies of the Grapevine and Lifeline.

It has also been a rewarding experience to serve on the Service Board at Central Office. For those of you who haven't had that chance I strongly urge you to get active in some type of Service Work.

For myself I feel I found my place in the Institutional Committee, for which I feel helped me find myself and to become involved.

If you find yourself complacent and without direction, come join us. We meet the 2nd Sunday of every month at 6PM at the Garden Grove Club.

I would also like to thank the Institutional Committee for their support in the last 3 years as Co-Director and Director. For me Orange County is the best in my book. Sincerely, Milt S.

Editor, Lifeline:

Dear Ed:

My name is Lucky and I am an alcoholic. I am writing this letter to carry the thanks of some people up north to the people of Orange County A.A.

On Saturday, Dec. 27, 1980 it was my privilege to carry a speaker meeting to the Path Group at Atascadero State Hospital, located in Atascadero, Cal. Also I carried 3 large cartons of coffee, sugar, cream, candy and smokes, also 2 large paper sacks of Grapevines and Lifelines and 6 12&12 books. These were purchased by the H & I Committee with the \$1 Xmas card donations of our A.A. members here in Orange County.

At the start of the meeting the Inside leader of the meeting announced the receiving of the Goodies and it was met by a standing ovation of Thank you to the people of Orange County AA. And when 150 to 200 men stand up and cheer it is a lot of happy noise.

You will probably receive other letters from other institutions served by our H&I Committee and I know they were as happy to receive the goodies as Atascadero was to get them.

Again, all our thanks to all A.A. members for your generosity and our wishes for you to have a happy and sober 1981. ....Lucky

This is a letter I received from our friends at Chino that I would like to share with the Fellowship of Orange Co... Milt S. Orange Co., Institutional Committee:  
Dear Milt:

I would like to express my appreciation for the opportunity to attend and participate in the meeting at the Canyon Club on the first of this month. Words fail me, but the feeling which engulfed me when I entered the building was so great. The warmth and openness extended to us was overwhelming, truly the "We Care" seen in all of our meetings.

Having been fortunate to have been to the H. & I. meeting in October has made it easier for me to recommend that the other men on the program strive to meet the requirements for the O.R.W.D.S. These meetings are so important, not only to myself but to the other men here at C.I.M. and has helped many a man to "Keep coming back" when without having had this opportunity he might not.

I wish to thank Orange Co. Hospital & Institutional Committee as a whole for making these meetings possible to the men of the Calif. Inst. for Men, and for your continuing support of our group here. Sincerely yours, Paul W.O.R.D.W.

THIS IS A PARTICULARLY busy season for your delegate this year. The printouts for over 600 groups which must be corrected for the 1981 Western United States AA Directory arrived and have been distributed to the committeemen in the various districts. Many of them are coming back to me which requires that my master file cards be corrected and the printouts be returned to New York. This often requires many telephone calls for missing information, errors etc. I have sent quite a few in to the NY office and they all must be received there by January 15th if your group is to appear in the Directory. We are all making diligent efforts to have this information as accurate as reasonably possible but remember when you see the 1981 Directory there will have been many changes which could not be reflected at this time. Bear with us and please accept our sincere thanks for your cooperation in this work. The third quarterly group financial statements have also arrived and have been (or are being) distributed by the committeemen. If your group is registered in New York and has a GSR, a contact or even a mailing address for the group on the registration record in New York, a copy of this financial statement was mailed and you should have received them in late November.

A perusal (and computation) of these statements show that slightly over half of the 600 groups in the Mid-Southern Assembly area made a contribution this year. The statement reflects the first nine months of 1980 total contributions, and I am proud that the percentage is that high. One responsibility of a Group is to be self-supporting and we feel that another is to be part of A.A. as a whole by contributing under the 60-30-10 plan. An informed group conscience usually makes this possible. Did your group contribute?

The Questionnaires are now in your hands and we hope that response is as good this year as it has been in the past. The Conference Agenda is a good one, we feel, and our questions on Inventory largely deal with the group level. Many groups have possibly never investigated a Group Inventory but those who have many times find that a number of things can be incorporated into the regular participation of group members, other than purely podium participation. This is especially true of study and discussion groups. We anticipate a great deal of enjoyment in sharing at the Pacific Regional Assembly in Anchorage, Alaska February 27-28, March 1. Both Clara and myself will give you reports on this experience and we thank you for the opportunity and privilege to serve in this capacity.

The Symposium of Service is in the immediate future and will be held February 21, 10:00 AM to 4:00 PM at the Immaculate Conception Church, 1090 North LaCedena, Colton. This is a highlight annually in the Mid-Southern California Area and you are invited.

This month marks the tenth anniversary of the passing of our beloved Bill W. He was born November 26, 1895 and died January 24, 1971. What a wonderful legacy he left for the suffering alcoholics who have AA today, and for the millions yet to come as a result of his meeting Dr. Bob. We must all be very lucky to be in the Fellowship sober today and must always find a gratitude expressed in action. "When anyone anywhere, reaches out for help, I want the hand of A.A. always to be there. And for that I am responsible."

The best of the Seasonal Greetings from all of us in MSCA, and a sober 1981 to you all.  
 ..... Denver C., Delegate, Mid-Southern California Area.

**THE 1981 GENERAL SERVICE CONFERENCE AGENDA QUESTIONNAIRE.....**  
**"A.A. TAKES ITS INVENTORY - GENERAL CONFERENCE STRUCTURE".....**

The forthcoming General Service Conference (in April in New York) has for its primary purpose the gathering of the group conscience, through the elected delegates, with the advice and counsel of the trustees and GSO staff. This group conscience puts into effect the desires of the fellowship regarding service, not only at the national level, but to a degree the international as well. The delegates are guided by the Questionnaire circulated each year throughout their individual areas. This sampling of opinion takes place before the Conference and covers the agenda items as well as the theme of the Conference. This year we are devoting our efforts to "AA Takes Its Inventory" and an examination of how the service structure works.

The first question refers to the Group Inventory.

- 17) Should we stress the importance of a dedicated commitment to service when talking to a prospective

- 21) The Anonymity Tradition is one of the most widely abused and least understood of our twelve traditions.  
Do you use your full name in A.A. wherever you go? \_\_\_\_\_
- 22) Is this a personal choice or do you think all members should do this? \_\_\_\_\_

Most of these last questions require a personal opinion and do not necessarily reflect all our opinions, or the accepted practice of A.A. as a whole. Do feel free to offer any comments you chose in light of your own experience in A.A.
